5. Touch **Search**.

changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

-- Reorient or relocate the receiving antenna.

-- Increase the separation between the equipment and receiver.

-- Connect the equipment into an outlet on a circuit different
  from that to which the receiver is connected.

-- Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. This equipment has been SAR-evaluated for use in hand. SAR measurements are based on a 0cm spacing from the body and that compliance is achieved at that distance.

SAR Value: 0.722W/Kg.

Appendix I: Specification

Spec.	
P/ N	Android MID
LCD	800*480 WVGA; 5.0 inch TFT touch panel
CPU	SAMSUNG 6410, 667MHz
OS	Android 1.5
DDR	128MB DDR
NAND	1GB SLC
T-Flash	Supported T-Flash card up to 8GB
GPS module	SiRFIII GPS module
Battary	Li-on rechargeable battery 2000mAH
Power adapter	Input：100~240V AC Output：DC 5V, 0.7A
USB	USB2.0 FULL SPEED
Indication Light	LED （Red in charging / Green in charged）
Temp.	Operation Temp.：0~40 ℃ Storage Temp.：-10~60 ℃
Dimension	132.2 x 87.6 x 14.8 mm
Weight	About 220 g
